Here is some wonderful news from a resident who lived at Visitation House in 2012:

"Hey Sherry, Eve, Sandy, & Louise, I miss you all very much! How are you all? I myself am doing GREAT! I made it, you guys! AND WITHOUT the help of Governmental Assistance. As of October 9, 2013, I have my own 3br apartment after long and hard hours of work. It finally paid off. :) It's funny how God's ways work with life. I remember sitting in my room there on Endicott Street, praying and wishing that things could get better. I remember I came to a point after leaving the Visitation House, I hit rock bottom. I ended up homeless with J Jay, bouncing house to house; then finally after 9 months of doing that, I told myself that I never wanted to be there ever again. I realize that the lessons being taught to me from all of you strong, independent women, was that nothing in life is handed to you. You work hard and trust in yourself and God, and only then things will change. And I thank you all for helping me realize that I had it in me to get my son and I to where we are now. I love you all dearly for that. You're always in my thoughts and appreciation. For ever and always. <3

P.S. The picture enclosed is J Jay 22 mos old. LOL, he's big isn't he? xoxoxo"
SAVE THE DATE!
Our 10th Annual Visitation House Fundraising Dinner will be held on Thursday, April 16, 2015 at Our Lady of Mt. Carmel’s Parish Center. We hope you will be able to join us for this wonderful pro-life gathering. Eve will be contacting table hosts in February.

NEW STAFF
In March and April, 5 women joined the Visitation House staff: Larissa Benoit, Linda D’Agostino, Denise McGee, Jane Mills, and Patty Roy. We decided to change our staffing patterns to spread the same number of staff hours over a larger number of staff members. This provides us with a bigger pool of trained and experienced staff members who are available to cover for each other in the event of sick days, vacations, etc. We are grateful to our new staff members for their willingness to serve in this ministry.

MILESTONES Several former residents dropped by recently to update us on their news:
J. is still working at CVS, recently received a new certification and promotion, and is now married.
C. has been able to successfully detox from methadone after leaving Visitation House and is now married.
J. came by to show us her first car, which she had been saving for for over a year. She didn’t stay long because she was on her way to apply for a job.

We are proud of their accomplishments!

We would like to thank our supporters who have honored their deceased loved ones by asking for donations to Visitation House in their memory.
Our chaplain, Fr. Roy, says Mass in our chapel for the repose of the soul of the deceased as well as for the comfort and consolation of the family.

Your generosity allows us to continue to help mothers who need support to give their babies a healthy start!

Some donors have set up an automatic monthly donation through their employer.

Become a sustaining member of the Visitation House family. You can sign up for EFT (electronic funds transfer) by filling out the form on our website and mailing it to Eve at the address provided. Or you can donate safely and easily using PayPal.

Choose Life plates have already raised over $250k for pro-life causes in Massachusetts — including Visitation House. There are thousands on the road now. Why not add your car to this public stand for life?

Prayer Need: We live in a time and place where there seems to be little respect for God’s gift of sexuality. Please pray (and act) for a change in our culture. Our residents struggle to embrace purity in the midst of many negative influences.

This March, we had our fourth baptism at VH. Baby Savannah’s parents, grandma, godparents, Visitation House staff, and friends all joined in the celebration.

Gina Joubert’s CCD class from St. Mary’s Parish in Shrewsbury has been helping Visitation House for 6 years. They’ve raised money, helped with projects at the house, and prayed for our moms and babies at the end of each class. Below are photos from their 6th grade year (top) and their visit this year as confirmation students (bottom). Several more students from the class are pictured at left. We thank them for their dedication!
