Join Us in Today's Celebration of Life, Reaching Momentous Milestones Together!

Dear Visitation House Family,

Thanks to the commitment of our community, we continue to celebrate LIFE with insurmountable joy, hope, and gratitude! We rise above the darkness that surrounds this pandemic and we look to Christ our light, as He leads the way for those in need of hope. With our community walking by faith, we continue to restore and rebuild order for the families in need of our mission.

Today we reach many momentous milestones together...

We are completing our 15th Anniversary on May 31, the Feast of the Visitation and Pentecost Sunday. This is a remarkable milestone in our history, with over 600 moms and babies saved and empowered for a life filled with hope. Thank you for your commitment to our mission throughout these years!

Back on May 31, 2005, our home was established by devoted friends and family in memory of an extraordinary, pro-life woman, Ruth V.K. Pakuluk. For 13+ years, another extraordinary woman, Eve Lindquist, our beloved Executive Director, devoted her life to lead and transform the Visitation House mission to a place where life is cherished and protected, a place where the hopeless are able to dream beyond today and make those dreams become a reality.

Today, in deep gratitude for all that God has done and will continue to do, we celebrate another milestone as Eve Lindquist, announces her retirement on August 31, 2020.

We invite you to pray with us in thanksgiving to God for the gift of life made possible through the tireless efforts of Eve's leadership. We thank Eve for answering God's call to protect the most vulnerable and for having laid the strong groundwork for our essential mission to continue for many more years.

The Visitation House Board of Directors, staff, and entire Visitation House community send our deep gratitude to Eve for her devotion to life. We wish Eve, and her husband, Russ, many blessings in this new phase of life.

High Hopes Appeal In Honor of Eve Lindquist

Our High Hopes Appeal, in honor of Eve Lindquist's 13+ year legacy, begins today and continues through the end of our fiscal year on August 31st, the day of Eve's retirement. Our goal is to raise \$130,000 to off-set losses from the pandemic and close out our fiscal year on target. We ask for your prayers and support. We know that this will be our most challenging campaign to date as the pandemic has affected all of our community in some shape or form. Together we remain resolute and resilient, to serve and protect the most vulnerable among us with hope for many more years to come! This week you can expect to hear from us as we kick off our appeal in digital format.

We invite you to remain in hope with us. Be assured of our prayers for you and your families during these challenging times. May God continue to bless our mission and those who protect and sustain it!

"I am honored and humbled to have been part of the life-saving mission of Visitation House. When I gaze upon our babies, now grown into 12 year old children, I am constantly reminded of the tender and vital role Visitation House plays protecting the lives and well-being of so many children."

15 Years Complete on the Feast of the Visitation and Pentecost Sunday

And how does this happen to me,

that the mother of my Lord should come to me?

For at the moment the sound of your greeting reached my ears,

the infant in my womb leaped for joy.

Blessed are you who believed

that what was spoken to you by the Lord

would be fulfilled."

Luke 1: 43-45
